A. Senate Resolution 2015-138.....	54

# **I. Introduction**

---

Senate Resolution 2015-138 directs the Legislative Budget and Finance Committee to study Commonwealth expenditures for salaries and other compensation and benefits of members of state boards and commissions. The resolution directed the Committee to report its findings to the Senate within six months of the adoption of the resolution. See Appendix A for a copy of the resolution.

## **Scope and Objectives Statement**

1. To determine the amounts expended by the Commonwealth for salaries and other compensation and benefits for the members of the Commonwealth's independent administrative boards and commissions, departmental boards and commissions, and advisory boards and commissions.
2. To provide a comprehensive listing of Commonwealth expenditures during the previous five years for salaries and other compensation, including expense reimbursements, benefits, and retirement benefits of members of the boards and commissions.

## **Methodology**

We identified 163 independent administrative boards and commissions, departmental boards and commissions, and advisory boards and commissions. The Office of the Budget maintains state expenditure data for all Commonwealth boards and commissions. As of October 1, 2016, the Office of the Budget had provided the information we requested in August 2015 for 72 of the 163 boards and commissions. The information on these 72 boards and commissions is contained herein.

We plan to release a final report with information on all 163 boards and commissions after we obtain the information from the Office of the Budget.

## **Acknowledgements**

We appreciate the cooperation provided by the Office of the Budget in providing the information contained in this report.

### **Important Note**

*This report was developed by Legislative Budget and Finance Committee staff. The release of this report should not be construed as indicating that the Committee's members endorse all the report's findings and recommendations.*

*Any questions or comments regarding the contents of this report should be directed to Philip R. Durgin, Executive Director, Legislative Budget and Finance Committee, P.O. Box 8737, Harrisburg, Pennsylvania 17105-8737.*

THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE RESOLUTION

No. 138 Session of  
2015

INTRODUCED BY VULAKOVICH, ALLOWAY, BARTOLOTTA, MENSCH, PILEGGI,  
RAFFERTY, SMUCKER, STEFANO, TEPLITZ, VOGEL AND WARD,  
JUNE 1, 2015

REFERRED TO STATE GOVERNMENT, JUNE 1, 2015

A RESOLUTION

Directing the Legislative Budget and Finance Committee to study Commonwealth expenditures for salaries and other compensation and benefits of members of State boards and commissions.

WHEREAS, The Commonwealth has enacted a multiplicity of statutes that establish a wide variety of independent, departmental and advisory boards and commissions; and

WHEREAS, These boards and commissions play a significant role in the administration of State programs and services in the areas of transportation, public health, public assistance, education, natural resources, labor, law enforcement, agriculture, commerce and revenue; and

WHEREAS, Responsible government requires an examination of such boards and commissions to determine if board and commission members' salaries and other compensation and benefits are unduly costly or provide minimal value in relation to cost for the

taxpayers of this Commonwealth, particularly in light of current economic conditions and budgetary constraints; and

WHEREAS, A calculation of the costs borne by the Commonwealth for the salaries and other compensation and benefits for board and commission members is essential for the purposes of identifying excessive costs, inconsistencies in compensation policies and procedures and cost variations among the various boards and commissions; therefore be it

RESOLVED, That the Senate direct the Legislative Budget and Finance Committee to conduct a study of the Commonwealth's independent administrative boards and commissions, departmental boards and commissions and advisory boards and commissions, under 71 Pa.C.S. § 5301(a)(5), (6) and (7), to determine the amounts expended by the Commonwealth for salaries and other compensation and benefits for the members of the boards and commissions; and be it further

RESOLVED, That the study shall include a comprehensive listing of Commonwealth expenditures during the previous five years for salaries and other compensation, including expense reimbursements, benefits and retirement benefits of members of the boards and commissions; and be it further

RESOLVED, That the Legislative Budget and Finance Committee report its findings to the Senate within six months of the adoption of this resolution.
